Anne Of Green Gables Tea Party in Mount Vernon, Washington, USA

Linda Allen
Youth Services Librarian
Mount Vernon City Library

The Mount Vernon City Library held a tea party on April 20, 2008 in honor of the 100th Anniversary of the publication of *Anne of Green Gables*.

Over 30 people attended, with the girls arriving very excited and dressed up for the occasion. First, tea, juice and cookies were served at prettily decorated tables with daffodil centerpieces. During the tea library staff shared information about the life of Lucy Maud Montgomery and performed readings from the book as Anne and Marilla. After the tables were cleared, the guests spent an enjoyable time creating crafts, which included making tissue paper flowers, making egg baskets out of wallpaper, and lavender sachets out of fabric squares tied with ribbon.
